

Inpatient Psychiatric Hospital

WHY REFER TO OUR INPATIENT UNIT?

Reliable, compassionate care that supports your clients through crisis and beyond.

- Smaller unit for more personalized, one-on-one support
- Experienced, trauma-informed team focused on stabilization and recovery
- Daily therapeutic groups and skill-building activities
- Wraparound services to ensure smooth transitions post-discharge
- Safe, respectful environment designed for healing

ADMISSION CRITERIA

We accept adult patients (18+) who meet the following criteria:

- Experiencing an acute psychiatric crisis, such as suicidal thoughts, psychosis, or severe depression
- In need of 24/7 stabilization in a secure inpatient setting
- May have co-occurring substance use disorders (e.g., alcohol or benzodiazepine use)
- Medically stable or have medical needs that can be safely managed in our facility

REFERRALS ACCEPTED 24/7

Assessments are completed at our Crisis Care Center

WHAT ARE PREVIOUS PATIENTS SAYING ABOUT US?

"I'm excited now for my journey here. I know I will leave here a better person. I'm finally honestly accepting the help I've been seeking. I couldn't have done this alone."

"I have enjoyed the groups and getting new skills that I did not have before. They have really helped me here and I can't wait to use them in my daily life."
